

Attorney Docket No. P113-US

IN THE SPECIFICATION

1. Please replace paragraph [0040] with the following:

[0040] Referring to FIG. 5b, a top view of the micromirror in FIG. 5A is illustrated therein. The dash line E shows a diagonal of the mirror plate. The dotted line D represents an imaginary line connecting the center of the two posts of the micromirror device. And the dash-and-dotted line F illustrates the location of the hinge to which the mirror plate is attached. It can be seen that, the hinge represented by line F is parallel to but offset from the diagonal represented by line E. And the diagonal represented by line E crosses the line D connecting the two posts.
